**Teaching Comments**

1. What were the instructor's major strengths?

He has good knowledge of the topic. Enjoys teaching and makes a good effort to address individual questions.

2. What were the instructor's major weaknesses?

Likes St. Louis Blues

**Course Comments**

3. What aspects of this course were most beneficial to you?

doing projects

4. What suggestions do you have to improve the course?

The learning curve from the first half of the class to the second is very steep. Although he warned us, it would be nice to have a smoother transition.
