

CS Students get Second Place in Technology Scavenger Hunt

- * CONGRATs to CS students Wenting Xiao, Yao Sun, Octavio Herrera and Emilio Zegarra
- * SECOND place out of about 150 teams in the Technology Scavenger Hunt of the **6th Annual Love Your Computer** event.
- * Each student was each awarded an 8GB iPod Touch (Most team members wanted to place second 😊)

The team says **“we had fun while participating on this event and would encourage other students to participate next year to learn more about the technology services available at the University”**
